

1.SPEPPING SPACEBOY

Scored the latest win in the lead. Front-runner with a perfect number. Outsider today.

Greatest victory:	STL Gulldivisionen Final 2019, Solvalla.

Had his best season last year as a six year old when he earned more than one million SEK and showed that he can match the best horses. Won both a heat and the final of the Golden Division at the end of the year. After a mediocre start of this season he got a new trainer in May. Has run five races for Wilhelm Paal and this is the toughest task so far. Can open fast and is ideally drawn here. Will be interesting to follow this time. The trainer has earlier been competing in bigger races. Outsider.

3.MILLIGANS'S SCHOOL

Very fast finish to victory two starts back and will now race without shoes again. Early choice.

Greatest victory:	Sundsvall Open Trot 2018, Bergsåker.

US import who got his breakthrough for Stefan Melander in 2018 and in several big races he showed that he can match the elite. The biggest win that season came in Sundsvall Open Trot. In 2019 he met the best horses again in almost every race. Scored nine wins (with Jämtlands Stora Pris as the most important victory) and earned almost three million SEK. He won more than half of the races and was very consistent and good. Participated in Prix d'Amerique this winter but was not at his best then. Has been improved again lately though and two starts back he finished really fast to victory in Rättvik.

2.MELLBY FREE

Was defeated on speed in the last run but the form is improving with two starts after the winter break. On the way up.

Greatest victory:	Stochampionatet 2018, Axevalla.

Was undefeated as a three year old and had only lost one race before she scored her biggest win in Stochampionatet as a four year old. Scored a nice second spot in the European Derby too and after that she ended the season by winning Breeders' Crown. As a five year old she earned more than one million SEK after mostly meeting mares of her year. This season Björn Goop has chosen to meet the older elite and this Årjängs Stora Sprinterlopp is a good example of that. Has been at least second in 20 out of 24 starts and she is really a consistent top mare.

4.DISCO VOLANTE

On the way up again in the last run despite a poor number. Is well drawn now and could reach his favorite position in the lead. Early pick.

Greatest victory:	Second in Premio della Lotteria 2019, Napoli.

Has been competing a bit under the radar in international races but scored a nice second spot in Lotteria last year and showed that he is a sprinter of world class when he is at his best. He has been outstanding this winter in the Golden Division. He scored five wins and was the best Swedish horse then. Has not convinced this spring though, but finished fast in the last run despite a poor number and showed that he is on the way up again. Is a really quick starter and faces perfect conditions here. Will be very dangerous and Ulf Ohlsson is a top driver who uses to give his horses a nice journey.

5. GIGANT INVALLEY

One of the best horses in Norway but he is still inexperienced against international opponents. Tough task here.

Gender:	Stallion

Greatest victory:	Klosterskogen Grand Prix 2019, Klosterskogen.

Has 40 wins in 88 starts but he has earned least money in this race. He won a Silver Division race in Sweden in 2018 but has mostly been competing in Norway. There he has become better and better and as a ten year old he is one of the top horses in his home country. He met the elite in the last Oslo Grand Prix but got clearly defeated and he is just a big outsider here against much more experienced opponents. He can open fast and could get a nice journey with this number. Gunnar Austevoll is quite a good driver too.

7. SORBET

Was good in both the heat and final of Elitloppet this year. Both wins this year have been scored despite tough journeys. Early choice.

Gender:	Stallion
Age:	9
Trainer:	Daniel Redén

Record pace:	1:09,7
Prize money:	7 071 026 SEK

Greatest victory:	H.K.H. Prins Daniels lopp 2019, Gävle.

Was up and down as a young horse due to injuries. Last year he showed though that he is a top horse when he lives up to his capacity. Earned 2.3 million SEK in 2019 and his biggest victory came in May in H.K.H. Prins Daniels lopp in Gävle. Has been consistent and good this year and both wins were scored from outside the leader. Was third in an Elitloppet elimination heat and scored a nice fourth spot in the final. Is driven by Örjan Kihlström again and he really knows how to win the big races. One of the favorites today.

6. SNOWSTORM HANOVER

Has met tough opponents without winning this year. Resumes from a spell. Will try to earn some money here.

Gender:	Stallion
Age:	6
Trainer:	Stefan Melander
Driver:	Rikard N Skoglund
Life:	77 10-11-4
Record pace:	1:10,4
Prize money:	6 433 220 SEK
Winning %:	13%
Greatest victory:	Kentucky Futurity 2017, USA.

Has earned more than 6.4 million SEK but in Sweden he has found it hard to show that he is an elite horse. He has only scored one win in 30 attempts since he came to Stefan Melander and started to compete in 2018. He has been matched against tough horses all the time and at his best over the short distance. Set a new record two starts back and often not defeated by many lengths. Resumes from a spell now and normally the goal will be to earn some money here. Rikard N Skoglund is not shy though and he will certainly give it a try.

8. RACING MANGE

Tough horse who showed in Elitloppet that he can match the best opponents. Poor number here.

Gender:	Stallion

Greatest victory:	Kymi Grand Prix 2019, Kouvola.

Was very talented already as a two year old when he was second in Uppfödningslöpningen. Has been one of the better horses of his year after that too. He made it to the Derby as well but he was not very successful in the bigger races then. Has been more improved as an older horse and in the summer of 2019 he scored a bigger international victory in Finland. Has been matched against strong horses all the time and become tougher and more experienced. This year he competed in Elitloppet too and made it to the final. The seven year old is still developing and despite this poor number he should not be overlooked here.

9. MILLIONDOLLARRHYME

Got locked in with energy left in Elitloppet. Is a top horse and speedy enough to win this. Our pick.

Gender:	Gelding
Age:	6
Trainer:	Fredrik B Larsson

Greatest victory:	Swedish Championship 2019, Åby.

Won only one race out of four as a three year old and did not belong to the best as a four year old either. Finished that season with several V75 victories though and won a Breeders' Crown heat too. He improved a lot and as a five year old he made it to the top and as an outsider he made it to the final of Elitloppet and finished fifth there. Developed even more and won the Swedish Championships in November. Has been a bit unlucky so far in 2020 but looked splendid in the final of Elitloppet where he got locked in with energy left and came in fifth. Got a tough run in the last Boden race but with a better journey this time he will not be easy to defeat.

10. MINDYOURVALUE W.F.

Has got a bad number again and with this back row draw he needs lots of luck to win this. Tough task.

Gender:	Gelding
Age:	7
Trainer:	Robert Bergh

Greatest victory:	Prix de la Mayenne 2018, Vincennes.

Raced already as a two year old but scored his first win in the eighth start as a three year old. Did not win a race before start number 31 then, but in the winter of 2017 he improved a lot competing in France. Scored five straight wins on Vincennes and showed that he belongs to the elite. Has been most successful in France after that too but won his Swedish comeback on Mantorp. Should be in good shape now with a couple of runs under his belt. Tricky back row draw over the short distance here and needs lots of luck.
